

Consultation on the Digital Services Act package

- Opening: 02 Juni 2020

-

Closing: 08 September 2020

In the context of the Digital Services Act package, the Commission initiated an open public consultation as part of its evidence-gathering exercise, in order to identify issues that may require intervention at the EU level. This consultation covered a series of topics related to the environment of digital services and online platforms.

Commission launches consultation to seek views on Digital Services Act package

Press release | 02 Juni 2020

The Commission has launched this week a public consultation on the Digital Services Act, a landmark package announced by President von der Leyen in her political guidelines and in the Commission's Communication "Shaping Europe's Digital Future" of 19 February. The consultation seeks to gather views, evidence and data from people, businesses, online platforms, academics, civil society and all interested parties to help us shaping the future rulebook for digital services.
