
EC Webinar 'How to successfully prepare an innovation procurement proposal for Horizon Europe'

-

22 June 2021

-

Only online: Webinar is live streamed via Youtube, Q&A is done via Slido

On 22 June 2021 (14h00-16h00) the European Commission will organise an info session about how to successfully prepare a Pre-Commercial Procurement (PCP) or Public Procurement of Innovative solutions (PPI) type proposal for the Horizon Europe programme. This online webinar session will explain what are the funding conditions for these funding instruments, how the evaluation and submission process works, and what are the novelties that were introduced compared to the previous Horizon 2020 programme based on lessons learnt of past projects. You can also ask questions before and during the webinar. There is no need to register for the webinar.
