

EU survey : Manufacturing our Future

This survey is an opportunity to gather the views of the wider European Manufacturing Community on future manufacturing priorities towards 2030 and beyond and to engage in co-creation for next work programmes, building on the Strategic Research and Innovation Agenda of Made in Europe and EIT Manufacturing programmes.

It offers an opportunity to share your expertise and views on the next priorities of manufacturing in Europe.

The survey will also collect interest in participating in *a future workshop planned for 25 October 2021*. The registration link will follow.

You can access the survey online. It will be open until 15 September 2021.
