The DIGITAL Europe Programme - Work Programmes

Overall objectives, scope, outcomes and deliverables as well as budget allocations, for each topic are described in the work programmes. On this web page you will find relevant documents and amendments for the work programmes once they have been adopted by the European Commission.

The first four work programmes implementing DIGITAL are:

- DIGITAL Europe Work Programme 2021-2022
- DIGITAL Europe - EDIH Work Programme 2021-2023, specifically dedicated to the European Digital Innovation Hubs
- DIGITAL Europe - Cybersecurity Work Programme 2021-2022
- DIGITAL EUROPE - High Performance Computing

The first three work programmes are to be adopted by the European Commission, and follow extensive consultations with the Member States and stakeholders. The fourth work programme for High-Performance Computing is prepared by the EuroHPC Joint Undertaking and will follow an independent calendar for adoption.
