

WiFi4EU: second online workshop for WiFi Installation Companies

- 29 September 2021

- online

This one-hour online workshop (10:00-11:00 CEST) is dedicated to WiFi Installation Companies involved in the WiFi4EU initiative. Its objective is to answer their questions in order to help overcome hurdles and accelerate network deployment. This workshop is an important opportunity in view of the approaching deadline, which risks the loss of municipalities' € 15,000 WiFi4EU vouchers.

Special workshop for WiFi Installation Companies

BCO-SF

This workshop is organised by HaDEA on behalf of the European Commission, and facilitated by the European Network of Broadband Competence Offices Support Facility. Participants will also include Broadband Competence Offices, who can help in overcoming certain challenges, as well as technology companies, who may help with questions on technical aspects.
