Please register if you want to attend this event.

In the process of registration we will ask you to if you would like to present your idea for one (or more) of the three CSAs in each of the networking sessions. In case you do, please prepare **one slide** with the CSA you are proposing, title of your proposal and main objectives, partners and which expertise and needs you have. We will try to accommodate everyone of you and still give you time for networking.

The Commission may select speakers according to the timing we have.
