

[Digital Services Act: Commission welcomes political agreement on rules ensuring a safe and accountable online environment](#)

The Commission welcomes the swift political agreement reached today between the European Parliament and EU Member States on the proposal on the Digital Services Act (DSA), proposed by the Commission in December 2020.

European Commission

The DSA sets out an unprecedented new standard for the accountability of online platforms regarding illegal and harmful content. It will provide better protection for internet users and their fundamental rights, as well as define a single set of rules in the internal market, helping smaller platforms to scale up.
