

## **Art and the digital: Unleashing creativity for European industry, regions and society**

- Opening: 21 June 2022

- 

Closing: 28 September 2022

The goal of this call for proposals - in the spirit of the STARTS program - is to enable crossovers between technology/economy and the arts in regional development by supporting the creation of regional STARTS centres as catalysts of such crossovers. Synergies between art and technology shall help in regional development on a social, ecological and economic level by boosting creativity in industry and business.

**09-09-2022: extension of call deadline to 28-09-2022**

**25-08-2022: UPDATED CALL TEXT!**

**Changes made: (1) Clarification on eligibility of 'profit-making entities', (2) Extension of deadline to september 22nd.**

'Regional STARTS centres' shall form the core of a movement towards an art-inspired European approach to innovation. They will become catalysts of concrete collaborations of artists with regional stakeholders via artistic experimentation. Such centres can be physical spaces or coordinated regional activities. A core activity of the projects will be financial support of artists in STARTS residencies.

This call for proposal will close on 28-09-2022. Please read carefully the attached 'call for proposals' text which explains the goals and the constraints for this call.

The attached Frequently Asked Questions -FAQ- will be regularly updated based on questions received. Please note that there is also the possibility to ask to have a description of your organisation in this FAQ document in order to help you find a suitable consortium.

Fill out all the necessary documents as explained in section 11 of call text: documents D1-D6 in attached need all to be filled out and submitted with the application, failure to do so will lead to rejection of the application.

Please note that only consortia of four partners from a minimum of 4 eligible countries will be eligible (section 6 of call text). Also note that this call is based on co-funding of the artistic residencies (40% cofunding) and all other costs (25% cofunding); see call text section 6 and 10.
