

Digital Global Gateways: Shaping the next CEF Digital call

•
28 June 2022

- online

The interactive webinar 'Digital Global Gateways: Shaping the next CEF Digital call' will help streamline the application process for the second round of calls.

The European Commission would like to invite you to register for the upcoming webinar on Digital Global Gateways: Shaping the next CEF Digital call, which will take place **Tuesday 28 June, 14:00 - 15:00 CEST**.

This session invites feedback from those involved in project submissions for the first round of Connecting Europe Facility (CEF) Digital calls for Backbone connectivity for Digital Global Gateways in order to learn what could be simplified in the application process for the second round of calls. The session will be introduced by Thomas Kuepper, Scientific and Technical Policy Officer within the European Commission Directorate-General for Communications Networks, Content and Technology. Mr. Kuepper will give an **overview of the first round of calls** and **what to expect in the next round**. A Q&A session will follow, together with an interactive voting session to gather feedback.

Participants

The session is open to:

- Municipalities
- Telecommunication and technology companies
- Representatives of Outermost Regions, Overseas Countries and Territories
- European networks, associations and representative bodies
- Broadband Competence Offices
- Representatives of the European Institutions

Registration

If you would like to register yourself or your colleagues, please **register by email** .

Video conferencing

On the day, please join the session by clicking **here**.

Log in using these details:

- Meeting number / access code: **2732 569 7093**

- Meeting password: **Connectivity**

Materials

The materials (slides and relevant links to further information) will be shared with all participants by email after the session.

Please share this invitation

We encourage you to share this invitation with any relevant stakeholders who would be interested in participating in the discussion.

We look forward to seeing you online!
