

High-level conference on the Digital Euro

- 07 November 2022

The event "Towards a legislative framework enabling a digital euro for citizens and businesses" is organised by the European Commission. Speakers will include Executive Vice President of the European Commission Valdis Dombrovskis, Commissioners Mairead McGuinness, Paolo Gentiloni and Thierry Breton, President of the Eurogroup Paschal Donohoe, MEP and ECON Chair Irene Tinagli, ECB Executive Board Member Fabio Panetta, and other high-level and industry speakers.

The ECB has launched the investigation phase of a digital euro project as major jurisdictions are exploring options for central bank digital currencies, and the Commission has announced a legislative proposal on a digital euro for early 2023. In this context, the conference will be an opportunity to discuss key regulatory and policy aspects of a digital euro.

Save the date - 7 November 2022.
