

Extended deadline of Open Market Consultation for the European Open Science Cloud Public Procurement Action

Opportunity to participate in the preliminary market consultation on the European Open Science Cloud (EOSC) Public Procurement Action extended to 5 August.

The European Commission has decided to extend the preliminary market consultation for the upcoming EOSC procurement by end of business day on **Friday, 5 August 2022**.

The interested parties shall send their feedback, comments, clarifications and input related to the procurement preparations via email to the EOSC procurement functional mailbox: [CNECT-EOSC-PROCUREMENT\(at\)ec.europa.eu](mailto:CNECT-EOSC-PROCUREMENT(at)ec.europa.eu)

Late emails may not be considered.
