- 10 November 2022

The third European News Media Forum (ENMF) brought together speakers from press, TV, radio, magazines, online media, and more to discuss innovations in the news media sector.

European Commission

After a first edition about the [safety of journalists](https://digital-strategy.ec.europa.eu/en/library/watch-structured-dialogue-safety-journalists) (<https://digital-strategy.ec.europa.eu/en/library/watch-structured-dialogue-safety-journalists>) and a second edition on [industrial transformation](https://digital-strategy.ec.europa.eu/en/events/european-news-media-forum-industrial-transformation) (<https://digital-strategy.ec.europa.eu/en/events/european-news-media-forum-industrial-transformation>), this third edition of the ENMF focused on innovations in many forms, ranging from new sector practices on journalistic standards and media governance to media viability, adapting to consumption patterns and sector/cross-sector collaborations and partnerships. Sessions consisted of a variety of formats: stage presentations, showcases, fireside chats and fishbowls.
