

Online consultation - a European Strategy for data

- Opening: 19 February 2020

- Closing: 31 May 2020

The Commission would like to hear your views on its European strategy for data.

The results of this survey will feed into possible Commission initiatives on access to and re-use of data in the coming months. The aim of the European strategy for data is to create a single European data space – a genuine single market for data, open to data from across the world.

The questionnaire may take approximately 10 minutes, depending on your answers.

The deadline to respond to the consultation is 31 May 2020, end of the day.
