CONNECT University on Web 4.0 & Virtual Worlds

07 November 2023
Online

From 10:00 to 12:00 | Hear first-hand the European Commission's strategy on Web 4.0 and virtual worlds steering the next technological transition.
This Connect University session explores the opportunities that virtual worlds bring for industry and society at large.

We will also hear about the unique experience of taking part in a panel where citizens share their point of view and suggest recommendations to policy makers.
