

## **Expert Group for the EU Observatory on the Online Platform Economy: Final reports**

At the end of its first mandate, the Expert Group for the Observatory on the Online Platform Economy is putting forward this set of five papers, which represent its final report.

The reports have introductory remarks by the Chairman of the expert group and cover these topics:

- Measurement and Economic Indicators of the online platform economy,
- Differentiated Treatment,
- Data in the online platform ecosystem,
- Platform power

The reports also include a case study on Market power and transparency in open display advertising.
