

The Web Accessibility Directive Expert Group (WADEX) - meeting agendas, minutes and presentations

WADEX is a European Commission expert group set up for the purpose of supporting the Commission in the implementation of the Web Accessibility Directive and to exchange best practices in the field of web accessibility.

The Web Accessibility Expert Group (WADEX) has the mandate to advise the Commission in relation to the preparation of delegated acts, and in the early stages of the preparation of implementing acts. The expert group will furthermore advise the Commission in the implementation of the Web Accessibility Directive including coordination and cooperation with Member States and stakeholders.
