

Definition and analysis of relevant markets

EU rules (Article 7 and Article 7a of the Electronic Communications Framework Directive - 2002/21/EC) require national regulatory authorities (NRAs) to conduct national and EU consultations on draft regulatory measures they intend to take prior to their adoption.

Article 7 cases as at 31/12/2020

Effective competition – no ex ante regulation
No effective competition – ex ante regulation
Partial competition – partial ex ante regulation
