

MEDIA supported films awarded at the Cannes Film Festival (1991-2021)

Creative Europe MEDIA works to keep the European film industry competitive, and is committed to mobilising the audiovisual sector in the interests of cultural diversity.

For the past 30 years, Creative Europe MEDIA has supported the European film and audiovisual industries across the value chain. It has been supporting collaborations not only locally but also across Member States to improve the circulation of works.

Since its launch in 1991, 47 films supported by MEDIA have won top prizes at the Cannes Film Festival - more information is available in the enclosed factsheet.
