

Public consultation on the review of the Directive on the re-use of Public Sector Information

- Opening: 19 September 2017

-

Closing: 12 December 2017

The European Commission is launching a public consultation to evaluate the implementation of the Public Sector Information (PSI) Directive. The Commission seeks views on how to improve accessibility and re-use of public and publicly funded data, and also considers access to and use of privately held data of public interest.
