
Opening: 06 July 2020
The European Commission is launching a call for proposals for a Preparatory Action in the field of Artificial Intelligence and Big Data for regional and local public administrations.

The **objective** of this preparatory action is to **support the establishment of a pan-European platform**, that facilitates the uptake and use of Artificial Intelligence and Big Data by regional and local public administrations across Europe, with the aim to **enhance public administration efficiency and effectiveness in providing user-centric services**.

Total budget available: **EUR 850,000**.
Maximum co-financing rate: **75% of the total eligible costs**.
Duration of the action: **24 months**.

**Questions regarding the call**
A live Q&A session is foreseen to take place shortly after the publication of the call on 9 July 2020 at 11h30. Please contact cnect-h4-pppa-calls@ec.europa.eu if you wish to participate in the Q&A session.

Questions for this call should be sent at the latest on 3 September 2020 to cnect-h4-pppa-calls@ec.europa.eu. The questions and answers will be published, anonymously, on this page (more information on your personal data).
