

## **EuRoC call for challengers is now open**

- Opening: 01 April 2014

- 

Closing: 30 June 2014

The EuRoC project presents opportunities for funding under the 7th Framework programme through an existing project. The deadline to submit proposals for the Call for Challengers is 30th June 2014. Next deadline is 15th November 2014 for the Call for End Users.

For more information about the EuRoC challenges please see the press-release attached below. You can also read more about the project and the challenges on the EuRoC website.
