

Commission welcomes agreement on the Connecting Europe Facility to fund greener, more sustainable transport and energy networks, and digitalisation

The European Commission welcomes the agreement reached by the European Parliament and the Council on the Connecting Europe Facility (CEF) proposal, worth €33.7 billion, as part of the next long-term EU budget 2021-2027.

European Commission

The Connecting Europe Facility programme supports investment in Europe's transport, energy and digital infrastructure networks. It will support the twin green and digital transition, by contributing to the ambitious targets for the European Green Deal and the Digital Decade.
