

Draft Ethics guidelines for trustworthy AI

This working document constitutes a draft of the AI Ethics Guidelines presented by the European Commission's High-Level Expert Group on Artificial Intelligence (AI HLEG).

After its presentation on 18 December 2018, a [consultation process](#) was launched with the aim to collect feedback on the draft.

The consultation ended on 1 February 2019 with [over 500 comments received](#). These comments are currently being analysed and considered by the AI HLEG for the preparation of a revised version of the Ethics Guidelines that will be delivered to the European Commission by the beginning of April 2019.
