

## **[Spletni informativni dan za program Digitalna Evropa: razpisi sektorskih centrov za testiranje in usposabljanje \(https://digital-strategy.ec.europa.eu/sl/library/online-info-day-digital-europe-programme-calls-sectorial-tefs\)](https://digital-strategy.ec.europa.eu/sl/library/online-info-day-digital-europe-programme-calls-sectorial-tefs)**

Poiščite posnetke, plakate in predstavitve po spletnem informativnem dnevu o razpisih za zbiranje predlogov za sektorske objekte za testiranje in eksperimentiranje na področju umetne inteligence.

Cilj informativnega dneva je bil povečati ozaveščenost o prihodnjih sektorskih razpisih DIGITALOV in zadevnim deležnikom že omogočiti, da opredelijo morebitne sodelavce.

Evropska komisija je zjutraj informativnega dne [predstavila koncept in postopek v zvezi s TEF \(https://ec.europa.eu/newsroom/dae/redirection/document/81762\)](https://ec.europa.eu/newsroom/dae/redirection/document/81762) ter odgovarjala na vprašanja. Po odmoru za kosilo so bili morebitni predlagatelji povabljeni, da predstavijo svoje projektne zamisli ali kompetence, ki jih lahko ponudijo konzorciju pri pripravi.

## **Gradivo z informativnega dne**
